

Supporting those who
keep us safe.

Law enforcement, fire personnel, EMS, and dispatchers experience intense, unique job stressors, which impact their physical, mental, and emotional health, requiring specialized support.

The Mission of the SFSC

The mission of the Safety Forces Support Center is to incorporate its specialized understanding of, and experience in, the safety professions to provide confidential, emotional, mental health and substance abuse counseling, and spiritual support to law enforcement, fire safety, EMS, and safety communications personnel. To fulfill this mission SFSC offers core services including counseling, support, education, law enforcement/safety forces advocacy, and emergency support during traumatic incidents.
